

# U. N. Shunts Israeli Case To Sub-Group

## Claim Action Due To Advice From Truman

Paris, Oct. 29.—(AP)—The U. N. Security Council shunted to a sub-committee a proposed crack-down on Israel today. Reliable informants said the action resulted from an overnight message from President Truman to the American delegation.

An informant in a position to know said the president had not sent a direct order to the delegation, but had asked for an explanation of the American position on a British Chinese resolution permitting penalties against Israel if she refuses to withdraw from newly won positions in the Negev desert.

This was said to be in line with the President's policy of being informed on every delegation move in the Palestine case before it is taken.

### Instructions Marshall

Earlier, other sources in close touch with Palestine developments said the President had reversed Secretary of State Marshall and ordered him not to support the resolution.

Sources with the U. S. delegation in Paris, at the White House and in New York with President Truman refused to comment.

(In New York, Charles G. Ross, Mr. Truman's press secretary, was asked to comment on reports that the President had ordered action on economic sanctions against Israel postponed until after next Tuesday's election.)

Ross declared "I categorically deny that. It is untrue." He declined any comment on the report that Mr. Truman had ordered Marshall not to support the British-Chinese resolution.

### Marshall To London

Shortly afterward Secretary Marshall left for London by special plane on what U. S. embassy spokesman in London said was a "purely personal and private visit."

Informed British sources however, said Prime Minister Attlee and Foreign Secretary Bevin probably will discuss with Marshall the coordination of British and American policies on Palestine.

In New York it was announced by United Jewish appeal headquarters that Henry Morgenthau, Jr., former secretary of the treasury, had asked the President to instruct the U. S. delegation to oppose sanctions against Israel. Morgenthau is now in Tel Aviv.

Canadian sources said the situation changed overnight.

"All indications yesterday were that the Americans would support the Anglo-Chinese resolution," said the Canadians. "Today it was obvious that the Americans were not going to support the resolution."

The Canadians said they then sponsored the move to hand the issue to a sub-committee because it was obvious the resolution would not get a large majority.

That had the effect of putting the issue on ice until after next Tuesday—American election day.

## Report Record Registration Of Illinois Voters

Chicago, Oct. 29.—(AP)—A record registration of 3,000,000 Illinois voters was reported today. Politicians said they expect more than 4,000,000 to vote Tuesday.

The official registration for Cook county is 2,702,132, including 2,136,692 in Chicago. The county total is 2,312,252 higher than in 1944.

The unofficial downstate total is 2,360,028. This is an increase of 208,828 over 1944. An official count is not available in the 101 downstate counties. The unofficial figure is based on Republican reports from two-thirds of the county clerks and 1944 figures on the other counties.

The unofficial state total thus is computed at 5,062,160, compared with an unofficial estimate of 5,064,000 in 1946. The total of votes to be cast in Tuesday's election is estimated by politicians at between 4,000,000 and 4,400,000, compared with 4,262,000 cast in 1944.

## PREFERS WIFE'S KISSES TO DOGS

San Fernando, Calif., Oct. 29.—(AP)—Dairy Farmer Ernst Kissling prefers to be kissed by his wife instead of their collie dog.

Mrs. Kissling is suing him for divorce. His lawyer said yesterday in superior court the couple might reconcile if the dog were kept from licking his face while he sleeps. Kissling said his wife kept the dog in their bedroom.

The larvae of one moth can destroy as much wool in one year as twelve sheep can produce.

## Royall Announces Army Reorganization

Washington, Oct. 29.—(AP)—Army Secretary Royall announced today a "top level reorganization of the army to place that service on a peace-or-war" footing.

He said in a statement that the reorganization "is designed to obviate the necessity for a sudden change in event of emergency." It becomes effective Nov. 15.

In the shifting around of responsibilities and assignment, a new office of "vice chief of staff" was created. Gen. J. Lawton Collins, veteran tactician of World War II, was appointed to the job. Collins' present post is deputy chief of staff under Gen. Omar Bradley.

Royall said Collins would be an "alter ego" (other self) for Bradley and would take over when Bradley is away for field inspections "at home and overseas." The vice chief will be the contact man for the army, to fit plans in with those of the other armed forces, the air force and navy.

In explaining the new setup, Royall said:

"The new organization lies between the army's organization in World War II and the setup which has been in effect since mid-1946. The pre-1946 establishment placed

the army entirely on a war footing, while the postwar organization has resembled greatly the peace-time organization in effect prior to March of 1942."

During the war, the tremendous procurement (buying) program was handled by the undersecretary of war. For the last year, procurement has been the responsibility of Assistant Secretary Gordon Gray, while the undersecretary William H. Draper, has given his attention to handling occupation problems of the army. Under the new plan, the secretary may give the assignment either to the assistant or undersecretary.

Actual direction of the steel business will be left in the hands of the men who now run it. Not only will the old managers remain, provided they carry out the supply minister's directives, but the firms will be able to retain their own names and trade marks and to compete with each other just as privately owned companies do.

Laborites said the bill combines old-line socialist practice with elements of the free enterprise system in "a new approach" to nationalization. The concessions to the capital-

ist system, they added, were necessary because of the extreme complexity of the iron and steel industry.

Conservative members of parliament reacted angrily to the measure's terms. One said privately the legislation "follows the classic pattern of all nationalization bills and repeats every one of the mistakes made in the others."

Lord Clydesmuir, a director of Colvilles, Ltd., one of the firms to be nationalized, said in a luncheon speech at Glasgow today that the measure is a "spanner (monkey-wrench) in the works of industry."

The government indicated the bill will not be rushed. Political writers predicted final passage may not come until late in 1949. The bill calls for the government to take over ownership on May 1, 1950, but would permit postponement for as long as 18 months after passage.

That provision would allow the government to enter the steel business just before the next general election in the summer of 1950, or wait until the voters give their verdict.

Green said communists "are managing and sponsoring the strike."

Levi, president of the United Mine Workers, asked Green two days ago to use his influence with President Truman to cut off Marshall plan funds to France in order to "stop the shooting of French coal miners." He said American bullets and guns were used by French police against the miners.

But Green, a former coal miner himself, said he would be sympathetic only if the French miners were striking to improve their wages and working conditions.

He said Paul Hoffman, administrator of the European Recovery funds, and Boris Shishkin, AFL economist on leave with the ECA in Paris, both reported the strike was communist-inspired and was aimed at sabotaging the Marshall plan.

He also said Michael F. Ryan, attorney for the Civil Service Protective Association, has endorsed Stevenson.

Senator Lucas (D-Ill.) said at a party rally at Lane Tech high school he believes the entire Democratic state slate will win Tuesday's election, and that Stevenson will win by not less than 150,000 votes.

William E. Platz said bullets fired from the sailors' gun showed different rifling marks than were on a slug reclaimed from the body of Raymond Smith, an 18-year-old bank clerk.

The bodies of Smith and his companion, Gertrude Baumann, 17, were found Sunday along a river at a remote corner of a local country club golf course. Smith had been shot four times. The girl had been raped and then shot three times.

The slayings took place late Saturday while the couple was on a hike.

Two sailors were apprehended at Sraitor Sunday when they abandoned a car, which police said was stolen. They told an Eau Claire deputy sheriff, Gil Gilbertson, they had been in Wisconsin last week and had picked up a .32 calibre rifle there.

They met no important resistance, and there was rising governmental optimism that the 25-day-old tie-up is nearing an end.

National Defense Minister Paul Ramadier said the situation may be so well in hand next week that troops can be withdrawn from the coal fields.

However, the communists had about 30 coal ships tied up in French ports, through a strike of dock workers.

The government announced that "an important number" of passenger trains would be suspended as of November 3 because of the coal shortage.

To save electricity, stores will be forbidden to light advertising signs or show windows.

The strike has cost 4,000,000 tons of unmined coal.

SAY RED SYMPATHIZERS STARTED BERLIN RIOT

Stuttgart, Germany, Oct. 29.—(AP)—The German police commander here said today five "known communist sympathizers" were found among 32 Germans arrested yesterday for rioting against German police and American soldiers. Five American police and at least 12 Germans were injured.

Jake still is very much alive; his appeal from his conviction is being processed by the State Supreme Court. Tomorrow will be the first anniversary of the axe-slaying of Mrs. Kludt and her daughter, Beverly.

## Propose Nationalization Of British Steel Industry

London, Oct. 29.—(AP)—The Labor government proposed today to take over Britain's iron and steel business from the production of ore to the making of needles and pins and railroad rails.

In May, 1950 the government would become owner of about three-quarters of a controversial nationalization bill. This would be accomplished by organizing a government holding corporation and buying the stock of 107 companies at an estimated cost of 300,000,000 pounds (\$1,200,000,000). The companies are capitalized at 195,000,000 pounds (\$780,000,000).

Publication of the bill today signalled the beginning of what is expected to be a long parliamentary wrangle between conservatives and laborites. The labor party holds roughly two-to-one majority in the House of Commons, making adoption of the legislation virtually certain.

Companies to be nationalized, including their wholly owned subsidiaries, now employ about 300,000 of Britain's 495,000 iron and steel workers.

Actual direction of the steel business will be left in the hands of the men who now run it. Not only will the old managers remain, provided they carry out the supply minister's directives, but the firms will be able to retain their own names and trade marks and to compete with each other just as privately owned companies do.

## Chinese May Remove Capital From Nanking

Nanking, Oct. 29.—(AP)—News of a 60-hour battle in Southwest Manchuria — which the communists claimed as their greatest victory of the war—heightened tension today in this Chinese capital, where many people already were openly discussing possibility the government may move elsewhere.

(This reference to a government move was not amplified, but the fact it was mentioned at all in the dispatch from Nanking is significant.)

(Nanking is on the south bank of the broad Yangtze river, which the communists thus far have not succeeded in crossing. There have been small-scale communist attacks many times within 100 miles of Nanking. A government spokesman in August predicted the communists planned to try to cross the Yangtze next spring. They since have made much more rapid progress than the government could have anticipated.)

(In the event the government ever should have to quit Nanking, the South China Metropolis of Canton would be a likely choice.)

The official military spokesman withheld confirmation that the communists had "destroyed" five armies totalling more than 12 divisions in

Wallace said in a speech prepared for delivery in Harlem's Golden Gate ballroom that the president during his southern tour "invited the Dixiecrats, the race-haters, the lynch boys, the poll-taxers right back into his camp."

"And they're coming back," he added. "Look at the list of Georgia congressmen who have just accepted Truman's invitation."

"If he meant a word about civil rights he would be calling for their defeat, not their reelection."

During a visit to Harlem today, the president vigorously reiterated his stand in favor of civil rights legislation.

Wallace said that "instead of visiting Harlem, President Truman should take his pen in hand and do the one simple thing which would prove that he really wants to help the negro people and deserve their support."

## Disapproves New Methods Of Warfare

Paris, Oct. 29.—(AP)—Russia warned today she would consider the waging of "new methods of warfare" on international crime punishable by death.

Soviet Delegate Alexei Pavlov did not mention the atom bomb or new types of fighting such as germ warfare by name in his discussion before the United Nations Social Committee. However, he clearly indicated Russia would regard any future use of the atom bomb as an international crime on a level with the atrocities committed by Nazi Germany.

The trials of top Nazi war leaders at Nuremberg established a precedent for punishing and executing "criminals who wage war with new methods of destruction," he said.

New Methods Criminal

Pavlov implied that Russia feels international law now is broad enough to cover most conceivable crimes and regards the "dogma established by Nuremberg" as part of international law.

"Naturally," he added, "wagers of new methods of warfare can be considered criminals both from the dogma and spirit of international law."

Pavlov spoke in explanation of his affirmative vote on Article Nine of the draft declaration on the human rights. The committee adopted the article by a vote of 42 to 0 with two abstentions. It states:

"1. Everyone charged with a penal offense has the right to be presumed innocent until proved guilty, according to law, in a public trial at which he has had all the guarantees necessary for his defense."

"2. No one shall be held guilty of any penal offense on account of any act or omission which did not constitute a penal offense, under national or international law, at the time when it was committed. Nor shall a heavier penalty be imposed than the one applicable at the time the penal offense was committed."

The committee defeated a Soviet amendment to exclude public trials "in cases involving considerations of the protection of public morality or national security." The vote against the amendment was 23 to 7 with 12 abstentions.

## RETURN SID SIMPSON TO CONGRESS

Congressman Sid Simpson comes from Carrollton, where if you drive past the city limits you will come to corn fields, dairy farms, and other agricultural pursuits. Over west of his home city are the Illinois river bottoms, where man has conquered nature by building an intricate system of levees and ditches to protect thousands of acres of fertile land. Sid Simpson grew up in these environments. He knows hundreds of upland farmers; he knows hundreds of farmers in drainage districts along creeks and rivers. When they talk about their problems he understands them, because he grew up among people who depend largely on the soil for a livelihood.

During his years as a business man at Carrollton, Mr. Simpson often visited other cities in Illinois, and metropolitan centers. Besides having a good, workable knowledge of agriculture he has observed industry as it plays an important part in prosperity of this section of the state. Congressman Simpson's knowledge of the Twentieth district which he serves is versatile. He tries to keep in touch with people in all lines of business, and has done an admirable job since he became their representative in Washington.

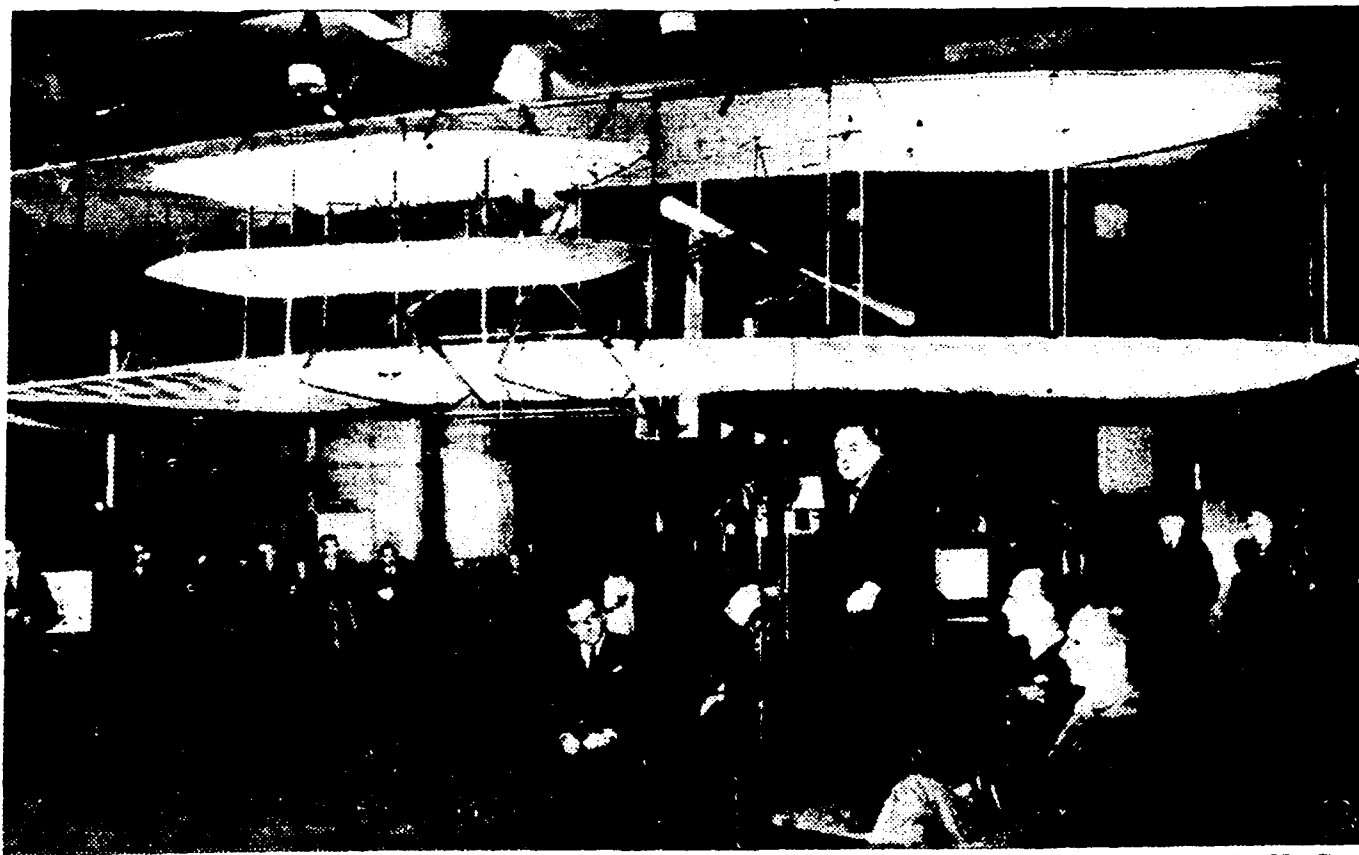

Congressman Simpson is an unpretentious public servant. He realizes the people of his district are responsible for his presence in Congress, and he feels a responsibility to them. He has demonstrated eagerness to learn the problems of his district, and has tried faithfully to follow the wishes of his constituents. Congressman Simpson is a member of the house agriculture committee. His services are available to the public at all times, whether he is in Washington or at his office in Carrollton.

When Mr. Simpson first ran as a candidate for Congress, the Twentieth district was made up of ten counties, the same which Henry T. Rainey of Carrollton served so long in Congress. In the early days of the 80th Congress, the Illinois legislature enacted a congressional reapportionment law, the first in 45 years. Four counties, Adams, Schuyler, Hancock and McDonough counties were added to the Twentieth district—Mason and Menard counties were grouped in another district. Thus the district in which Congressman Simpson is a candidate this fall consists of 12 instead of the original 10 counties.

Mr. Simpson's efforts in behalf of the new counties started even before the remapping had been given final approval. Theoretically the Twentieth district congressman will not represent the additional counties until the opening of the 81st Congress in January. Actually Mr. Simpson has been active in protecting the interests of these counties for the past 18 months.

Knowing Sid Simpson and his record as we do, we are confident his true value as a representative in Congress is fully recognized throughout this district, in the old counties and the new, and that he will be reelected next Tuesday to continue his job in which he has shown much capability.

A GOOD GOVERNOR

### For A Greater Illinois . . .

No governor has done more for the people of Illinois in every walk of life and added more to the dignity of the state than Dwight H. Green. He has truly been a good Governor—a Governor who has accomplished great things for all the people of the state. His record shows these facts:

**FOR FARMERS** he has inaugurated the state's first system of State Aid Farm-to-Market roads; carried out programs on drainage, soil conservation and elimination of livestock disease.

**FOR BUSINESS MEN** he has kept taxes down, balanced the budget, and practiced strict economy everywhere.

**FOR WORKERS** he has approved more legislation favorable to labor than any other governor; acted as a bulwark against anti-labor legislation of any kind.

**FOR VETERANS** he sponsored the nation's most liberal bonus. His administration established the first Veterans' Commission in the country for personal service on veterans' problems and is carrying out a rehabilitation program which is restoring thousands of veterans to productive life. New veterans' hospital units have been built at State institutions.

**FOR EVERYBODY**—Under Governor Green state aid to Public schools almost trebled . . . New buildings and expanded facilities for the University of Illinois and the state colleges . . . A \$30,000,000 housing program, aiding 115 local housing boards . . . Old age and blind pensions liberally increased and aid to dependent children established . . . First program of state tuberculosis hospital and state aid to community hospitals . . . First system of state aid to airports throughout Illinois . . . Expansion and Improvement in our highways, parks and recreational facilities.

The record of Governor Dwight H. Green in service to ALL the people of Illinois has never been equalled. It is a record of sound administration and lasting accomplishments.

## Marie H. Wertle Becomes Bride Of James M. Leib

A double-ring ceremony performed Oct. 23 by the Rev. William Belk at St. Paul's Lutheran church in Alpena, Mich., united in marriage Miss Marie Helen Wertle, daughter of Mr. and Mrs. Gus Wertle, and Ensign James Mathews Leib, son of Mr. and Mrs. Leslie Leib of Winchester.

The bride, who was given in marriage by her father, wore a gray costume suit, with matching accessories. She carried white orchids.

Her only attendant was Phyllis Frantz who wore a suit of midnight blue with black accessories and carried bronze mums. The bridegroom was attended by his roommate, Lt. Robert Wood of San Diego, Calif. Ushers were Howard Tarack, Ernest Neumann, Bruce Faindt, George Lalonde and William Werth.

A reception was held at the home of the bride's parents after the ceremony.

Ensign and Mrs. Leib were guests of honor Oct. 25 at a family dinner held at the home of his parents in Winchester. Guests were Mr. and Mrs. Lyle Mathews, Mr. and Mrs. Albert Mathews and daughter, Juliana, Dave Dunham of Bluffs, Mr. and Mrs. Homer McPherrin and daughter, Marsh. Pauline Mathews of Jacksonville, Billy Klotz of Los Angeles, Harry Funk of Winchester.

The couple left Oct. 27 for San Diego, Calif., where Ensign Leib will report back to the U. S. S. Eldorado. He will attend a six-week course in naval justice.

## Orchids Just The Ticket For City's Safe Drivers

Maybe you've been stopped by a policeman, but probably never for the same reason Noreen Ross of Sacramento, Calif., was stopped. She got whistled down by Chief of Police James V. Hicks (center) so he could give her an orchid—for courteous driving. Pleased spectator is Charles Dean, of the Junior Chamber of Commerce, "orchid for safety" sponsor.

By SAM ARCHIBALD  
NEA Special Correspondent

Sacramento, Calif.—NEA—Your chances of getting a traffic ticket in Sacramento are probably better than any place else in the world, because there are more cars per person here than in any other city.

And your chances of getting an orchid, if you're a good driver, are just as good. The city is giving them away in the hope that a reward will do better than punishment in promoting safe driving.

Sacramento, where there is one car for every 2.2 citizens, has had the problem of congested, hazardous traffic for a long time. Only Miami, Fla., has claimed to have more cars per person, and Miami surpasses Sacramento's record only during the tourist season.

To solve the year-round problem of hazardous traffic, the city's Junior Chamber of Commerce suggested the orchid reward for courteous drivers.

The city police department assigned two men to search for good drivers and give the selected drivers—most of them persons who have

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 29.—(P)—With supplies reduced in preparation for curtailed cutting during the week end, hogs sold at steady to 25 cents higher prices today, cattle were steady to 50 cents lower, and sheep steady to 25 cents up.

Butcher hogs brought \$24.00 to \$25.50, the practical top, with two loads grading choice meriting up to \$25.65. Weights below 180 pounds were absent. Sows sold between \$23.00 and \$24.75.

Choice cattle were missing, but good fed steers brought \$31.25, heifers \$30.75, cows \$21.00, bulls \$23.25, and vealers \$31.00. About 300 head of Canadian feeding steers grading medium maintained fully steady values at \$24.00.

Good and choice native lambs fetched \$24.75 to the top payment of \$25.00, while fed yearling wethers grading good and choice were worth \$22.65, and medium and good slaughter ewes brought \$9.00 to \$9.50.

Total receipts included: 8,500 hogs, 2,000 cattle, 200 calves, and 1,700 sheep.

## WHEAT SLUMPS UNDER COMMISSION HOUSE BUYING; OATS DOWN

Chicago, Oct. 29.—(P)—Wheat sagged under commission house selling on the Board of Trade today. Rains in Kansas and Nebraska overnight caused some of the liquidation, but the December contract showed even more weakness than the 1949 crop months.

Another fairly sizable run of cash grain, plus purchases on a to-arrive basis of more than 200,000 bushels, caused the December corn contract to slip. But the deferred months showed some independent strength, being ahead much of the day.

Soybeans, oats and lard all worked lower with trading fairly active. The decline came in the face of heavy government buying. The government yesterday bought 4,082,906 bushel of wheat, 1,130,000 bushels of corn and small amounts of oats and soybeans.

Receipts were: wheat 4 cars, corn 495, oats 19 and soybeans 125.

Wheat closed 3-11 lower, December \$2.28-1/4, corn unchanged to 1/4 lower, December \$1.37-1/2, oats were 1-1/2 lower, December 77-3/4, rye was 51-61 low, December \$1.77, soybeans were 31-44 lower, November \$2.47-1/2, and lard was 22 to 28 cents a hundred pounds lower, November \$18.92.

## East St. Louis Livestock

National Stockyards, Ill., Oct. 29.—(P)—Hogs, 6,500; barrows and gilts steady to 25 lower; sows 50 to 75, spots 1.00 lower; 170-270 lbs. 25.25; several loads under 225 lbs. topped at 25.50; few sales 25.00; 150-170 lbs. 25.00-25; 130-150 lbs. 23.00-25.25; lighter weights scarce; sows 400 lbs. down 21.75-24.00; heavier weights 20.00-22.00; mostly 20.75-21.50; stags 16.00-20.00.

Cattle, 1,000; calves, 1,000; small supply of steers and heifers generally steady in cleanup trade; one load medium fleshed and medium quality steers on feeder account 23.75; medium slaughter steers 24.00-25.00; some open sales about steady; general undertone weak; common and medium beef cows 17.00-19.00; canners and cutters 12.50-16.50; bulls fully steady; medium and good 21.00-22.00; cutters and common 16.50-20.00; vealers steady to 1.00 lower, decline on choice; choice vealers 34.50; majority of crop medium and good 23.00-30.00.

Sheep, 1,200; market steady; good and choice woolled lambs 24.00-50; top 24.75; few slaughter ewes steady at 8.50 down.

## Markets at a Glance

New York, Oct. 29.—(P)—Stocks—Irrregular; price changes narrow.

Bonds—Mixed; selected rails improve.

Chicago

Wheat—Weak; rains in southwest. Corn—December easy, deferred months steady.

Oats—Weak; followed wheat lower.

Soybeans—Weak; commission house selling.

## New York Stock Market

New York, Oct. 29.—(P)—The stock market slowly pulled out of an early decline today.

The recovery was scarcely decisive. Frequent pauses developed and many issues swung between plus and minus territory.

Trading was the slowest in a couple of weeks, with turnover at a rate which fell just short of 900,000 shares for the day.

Wall Street quarters offered several reasons for the sluggish price action. Some observers suggested the market has merely reached a resting point after a long rise.

Others believed that many traders had decided to take it easy until the election results are in. The latest Russian blast against the western powers may have curbed some activity.

Among the gainers were U. S. Steel, Youngstown Sheet, Studebaker, U. S. Rubber, Distillers Corp., American Telephone, Electric pow-

er & Light, General Electric Texas Co., and United Airlines.

Lower most of the time were Goodyear, Chrysler, Allied Chemical, and Caterpillar Tractor.

Central of Jersey issues advanced in the bond market.

## Petroleum Men Oppose Hike In State Gas Taxes

At a meeting of the Morgan County Petroleum Industries committee Thursday night, William Panning was elected chairman of the group.

Other officers elected at the meeting are Alden Ryan, secretary; E. L. Baldwin, J. D. Bunting, T. S. Daniels, A. E. Seaman and W. S. Dobbs, legislative committee.

The group went on record, by the adoption of a resolution, as stating that "an increase in the Illinois State gasoline tax is unjustifiable and unnecessary." The resolution pointed out that gasoline taxes in Illinois today are equivalent to a sales tax on the retail price of gasoline, and that this tax is higher than the federal excise tax on luxuries.

J. H. Hagens, Executive Secretary of the Illinois Petroleum Industries Committee, presented a color film which stressed the vital importance of concerted action for the successful operation of the county petroleum group.

The county group endorsed a six-

point program of objectives for 1948-49 which has been adopted by the state organization of petroleum industries committees. The six points of the program are: (1) to guard against unfair taxation of motor fuel; (2) to protect road funds by an amendment to the Illinois constitution prohibiting the diversion of automobile tax money to non-highway purposes; (3) to advocate sound, long-range highway planning; (4) to preserve private enterprise on the highways by prohibiting state ownership of service stations; (5) to reduce gasoline and kerosene inspection fees and (6) to repeal federal taxes on gasoline and lubricating oils.

## TAKE TIME TO BE SAFE

The loss of an arm or leg is a high price to pay for saving ten seconds. When operating power machinery, take time to be careful.

Your life will be safer if you . . .

Observe these simple rules:

- 1 Shut off P.T.O. before attempting to unclog corn picker, baler, etc.
- 2 Keep all shields in place when operating machine.
- 3 Don't trust defective hitchers, brakes, clutches, seats.
- 4 Never mount or dismount from a moving tractor. Don't ride on drawbar.
- 5 Don't wear loose, floppy clothing around power machinery.
- 6 Think first. After the accident it is too late.

This year a disabling injury probably will strike some farm person every 19 seconds. Don't let carelessness put your name on that list.

## Dewey, Green Win In High School Election

Governor Thomas E. Dewey was "elected" president and Governor Dwight H. Green was returned to the governor's chair at Springfield for another four years by students of Jacksonville high school who held an "election" this week.

All Republican state candidates were given majorities by the students with exception of the contest for secretary of state, in which Edward J. Barrett, Democratic incumbent, defeated William G. Stratton, his Republican rival.

Governor Dewey polled 412 votes for president and Harry S. Truman received 349 votes.

The election was held Oct. 27 under direction of Frank Moffitt, a member of the faculty, and his Problems of Democracy class. Each home room was assigned electoral votes according to the number of students in each room. The electoral college consisted of 260 with 131 majority.

Governor Dewey carried 17 home

rooms and President Truman carried 14 home rooms, according to results announced by Mr. Moffitt's class Friday morning. Dewey carried the freshman and senior classes. Truman carried the sophomore and junior classes.

Results of the high school election for other national and state officers follow:

For U. S. Senator — C. Wayland Brooks 403; Paul H. Douglas 346.

For Governor—Dwight H. Green 414; Adlai E. Stevenson 334.

For Lieut. Governor — Richard Yates 453; Sherwood Dixon 275.

(Mr. Rowe is a Jacksonville resident.)

For Secretary of State—William G. Stratton 326; Edward J. Barrett 431.

For State Auditor—Simon A. Murray 343; Benjamin O. Cooper 340.

For State Treasurer—Elmer H. Droze 391; Ora Smith 245.

For Attorney General George F. Barrett 430; Ivan A. Elliott 302.

For Congress—Sid Simpson 445; Henry D. Sullivan 262.

For State Auditor—Simon A. Murray 343; Benjamin O. Cooper 340.

For State Treasurer—Elmer H. Droze 391; Ora Smith 245.

For Attorney General George F. Barrett 430; Ivan A. Elliott 302.

For Congress—Sid Simpson 445; Henry D. Sullivan 262.

## Moore And Baulos Wedding Will Be Performed Nov. 25

Bluffs—Announcement has been made of the engagement and approaching marriage of Miss June Eloise Baulos and Jack Moore, both of Bluffs.

Miss Baulos is the daughter of Mr. and Mrs. M. J. Baulos and attended the Bluffs School and was graduated with the class of 1947 from MacMurray College. The past two years she has been teaching at Pleasant Hill and White Hall.

Mr. Moore, the son of Mr. and Mrs. Hugh Moore, graduate from the Bluffs High school and served with the Army Air Force during the recent war and is now employed as manager of the F. J. Muntman Grocery Store in Bluffs. The wedding is being planned for November 25.

The Bluffs Junior Women's Club met recently at the home of Mrs. Harold Prohwitter with Mesdames Jerry Hatfield, George Mathews, Robert Priest and Donald Sloan as assistant hostess. The president, Mrs. Norman Engelbrecht presided and the program for the coming year was discussed. "Youth Conservation" was the subject of the evening with Mrs. Bruce Hutton presenting "Citizenship" and Mrs. Leroy Pond discussed "Juvenile Delinquency." Names of "Guess Who Friends" were drawn. At the close of the evening refreshments were served by the hostesses.

In a single year, more than 100 billion container units of all kinds are made in the United States for packing goods; sold at retail.

## Church Women Pack Towels To Send To Europe

The Jacksonville Council of Church Women is sponsoring the Pack-A-Towel project of the United Council of Church Women. These towels are to be sent to teen-agers in displaced persons camps in Europe and in refugee camps in Asia.

They must contain 1. bedroom slippers (not hard soles); 2. New material for dress (or yarn); and a sewing kit; 3. Soap, comb, toothbrush, hairpins, hankies, socks, stockings, neckties, scarfs packed into a pocketbook, pouch or washcloth (nothing breakable or spillable); 4. a friendly note with the sender's name. These are to be packed on one end of a pretty bath towel 22 inches wide. The other end of the towel is to be flapped over and the edges pinned together with a dozen assorted safety pins.

On the outside is to be pinned a piece of cloth with large crayon letters B (for boy) or G (for girl) and size (of slippers or socks).

Each towel, completely packed, is to be taken to the Congregational church on Thursday evening, November 4th for the World Commu-

ity Day program. The following day these towels will be mailed to Church World Service, which will send them to their final destination.

All the churches which are members of the Local Council of Church Women are cooperating in this project. It is expected to send 50 or more complete towels from Jacksonville.

If any individual wishes to pack a towel, he may do so; but it must be a complete one. For further information, call Mrs. R. M. Harris, Phone 1312.

## Five Jerseyville Boys Accused Of Costly Mischief

Jerseyville—Five city warrants were issued here Tuesday evening upon the complaint of a resident of the eastern part of the city, charging five local youths with malicious destruction of private property.

The charges against the five youths arise out of Halloween activities.

Farmers in the Jerseyville and Kane localities continue to be harassed by pranksters, and the extent to which some of the participants go is reported as astonishing.

One farmer in the locality east of Kane began picking corn and left his outfit in the field. Several miles from the farm of the first man, another farmer was combining soybeans in the rush to get the crop harvested and wheat planted. He left his combine in the field at quitting time.

The next morning the farmer who started out to pick corn, found that his corn picker had changed overnight into a combine, and the man who had been combining soybeans, discovered that his combine had become a corn picker. It required the greater portion of a day for the two farmers to get lined up on the exchange and switch properties and get at their work.

## Six Babies Born At Carrollton

Carrollton—Six babies were born this week in the Boyd Memorial hospital, including a daughter to Mr. and Mrs. James Gilbert of this city; a daughter to Mr. and Mrs. Donald Sears of Jerseyville; a son to Mr. and Mrs. Glenn Jackson of Medora; a son to Mr. and Mrs. Harry Grizzle of Kane; a son to Mr. and Mrs. Donald Schofield of this city and a daughter to Mr. and Mrs. Roy Lee of Greenfield.

Patients undergoing surgery during the week were Mrs. Matt Roth and Mrs. Lewis Brandt of Greenfield, Mrs. Ralph Coates of White Hall and Gary Williams of Kane. Patients admitted for medical care were Mrs. Leo Tvey, Mrs. Fred Joutet, Mrs. Anna Hubbard, Gerald Garrett, George Winters of Carrollton; Mrs. W. F. Barnett, Lloyd Fansler and John McManus of Greenfield.

## Miss June Lovekamp Weds Ross Houston

### 150 Guests At Reception Held After Ceremony

Trinity Lutheran church at Arenzville was the scene of the marriage of Miss June Lovekamp, daughter of Mr. and Mrs. Edwin Lovekamp of Arenzville, and Ross Houston, son of Mr. and Mrs. E. L. Houston of Beardstown.

Their vows were pledged in a double-ring wedding ceremony performed by the Rev. W. V. Neunen-dorf before an altar banked with ferns and pine branches, surrounding an arrangement of chrysanthemums and straw flowers.

The bride was given in marriage by her father. Her attendant was her sister, Cora Mae Lovekamp. Robert Curry of Frederick, brother-in-law of the bride, served as best man. Ushers were Clifford Thomas of Chapin and Elmer Wankel of Beardstown.

**Musical Prelude**  
The wedding marches were played by Waldron Paul, who also accompanied the soloist, Myron Beard, who sang "O, Perfect Love" and "Because."

The bridal gown was of white moire taffeta, fashioned with a sweetheart neckline, tightly-fitted at the wrist, and long, full skirt. The lace-edged veil of illusion was held in place with a band of seed pearls. As her only jewelry, the bride wore a rhinestone necklace given her by the bridegroom. She carried a white prayer book and three orchids tied with satin streamers.

A gown of pink moire taffeta, styled similar to the bridal ensemble, was worn by the maid of honor. Her bouquet was of pink roses, tied with blue satin ribbons.

The bride's mother was attired in a gray afternoon dress, with matching accessories and a corsage of pink chrysanthemums. A brown dress with tan accessories and a corsage of yellow chrysanthemums was worn by the bridegroom's mother.

**Reception At Church**  
A reception, attended by 150 guests, was held in the church basement following the ceremony. The serving table was adorned with tall yellow tapers and bouquets of white chrysanthemums, centered with a three-tiered wedding cake. Assisting with the serving were Mrs. A. C. Hart, Mrs. George Morrison and Mrs. Theodore Lovekamp.

The bride was graduated from the Arenzville Community high school in 1945 and has been employed as bookkeeper and clerk in the First National Bank. Mr. Houston, a graduate of Beardstown High school, is employed as bookkeeper at the Dutch Motor Sales in Beardstown.

Upon returning from a wedding trip through the South the couple will reside in Beardstown.

**Out-Of-Town Guests**  
Out-of-town guests at the wedding were Mr. and Mrs. Ralph Simpson, Mr. and Mrs. Dale Heger, Mr. and

Mrs. Donald McGovern, Mrs. Paul George, Mr. and Mrs. George Bast and son, Mr. and Mrs. Fred Curry, Mr. and Mrs. John Dutch, Miss Darlene Kupfer, Harold Kuhlman, Miss Maizie Guelker, Warren Houston, Mr. and Mrs. Edgar Green, Mr. and Mrs. Herbert Knight, Mr. and Mrs. Harry Musch, Mr. and Mrs. Roy Phelps and Roy Roberts of Beardstown; Mr. and Mrs. Elmer Houston and daughter, Mr. and Mrs. Granville Smith, and Mr. and Mrs. Wayne Schone of Virginia; Mrs. Vesta Curry, Miss Marie Moreland and Mr. and Mrs. Robert Curry of Frederick; Mr. and Mrs. Delbert Huffman of Havana; Mr. and Mrs. Gilbert Schaefer and Mr. and Mrs. Joe Sullivan of Jacksonville; Mr. and Mrs. Arthur Lovekamp of Meredosia; and Mr. and Mrs. Henry Schone of Chapin.

## Call Ministerial Meeting Monday

The Rev. Lewis N. Raymond, president of the Jacksonville Ministerial Association, announces that there will be an important meeting of the association of ministers at Grace Methodist church on Monday morning, November 1, at 10:30 o'clock. All ministers of the community are welcome to attend.

Thanksgiving and Christmas are just around the corner, and any united services to be planned for these special days need consideration by all cooperating ministers.

After the reception the couple left on a wedding trip. They plan to make their home in Waco, Tex.

## Tigers, Blueboys Set For Trips, But Their Conditions Differ

Condition of two Jacksonville football teams was in direct contrast as they prepared to leave for week end engagements on foreign soil.

Illinois College, which meets James Millikin University in a CCI game at Decatur Saturday afternoon, was badly crippled and Coach Miller and Joe Brooks were doubtful about starters at a number of positions.

Illinois School for the Deaf, which tangles with Indiana Deaf at Indianapolis the same afternoon, was still in the pink of condition. This has been the case prior to each of the "Tigers" 1948 appearances and undoubtedly has considerable to do with the five consecutive victories of the unbeaten westenders.

**Additional Mishaps**  
With the backfield still a big problem after severe losses in the Illinois Wesleyan game here last week, Illinois College faced the loss of several other players, including a pair of linemen, as a result of injuries received in scrimmages this week.

Coach Al Miller of the Blueboys has been spending more time with the doctor this week than with his team. But since half his team has also been with the doctor, he considered his visits necessary.

The good was mixed with the bad for the popular hilltop mentor Thursday. There was a ray of hope that several of the backs he had been counting on might see action Saturday. But, three linemen he had been depending upon were listed as doubtful.

**Florence May Be Out**  
George Florence, guard who was being converted to a back, and Ray Paxton, starting center, both suffered injuries during practice. Guard, Paul Lasley, another regular guard, is not recovering from his leg injury as rapidly as had been hoped.

Florence may be able to go in the line, but he won't be ready to provide relief for a thin crew of backfield candidates. Lasley might play, but he'll be slowed down considerably. Paxton is doubtful.

Bob Harshman of Pittsfield and Bill Matthews of Chicago are on hand to relieve Lasley and Florence. And Bob Brand, who has played both guard and tackle, also will be available in the middle of the line if he is needed. Gerald Lachinski has started several games at the pivot spot and can fill in for Paxton.

**More Trouble**  
It's in the backfield that Miller still has the greatest worries. In addition to his full injury list, Miller has lost the services of Art Williamson of Lincoln, sophomore halfback, who has dropped football to concentrate on his studies.

Miller has announced a probable starting backfield for the game Saturday which includes only one regular and two first-year men. Bob Grove, the quarterback, is the only starter who also began the game against Wesleyan. Eb Ryan and Bill Schroeder, who are named as starting halfbacks, both are seeing their first season of college football. Bob Scheller, relief quarterback, has been named for the fullback post.

Countering the gloomy outlook just a little bit is the hope that three other members of the "first five" backfield might be able to play at least a portion of the engagement.

**Billings Available**  
Dave Billings, who now has played just about every spot in the backfield, was running well Thursday night and apparently will have the doctor's O.K. for unlimited use.

Bill Gross, starting fullback, has a bruised thigh which, according to latest reports, may come around enough that he can see service with

protection from some special equipment.

Art Wilson, I.C. speedster, had his foot removed from its cast Thursday. There was slight hope that he might be ready to go. But a "wait and see" policy had to be adopted.

Coach Miller has scheduled a "taping party" for the I.C. team Saturday morning before the departure for Decatur. He would make no estimate of the number of yards of tape which will be necessary to make his club fit to take the field for the crucial loop contest, not even for a joke.

**Proud of Team**  
Miller stated that he was proud of the showing of his outfit against the Titans. Wesleyan is rated the top small college defensive team in the nation, yet the hilltoppers smashed through the invaders for eight first downs in the first half of their recent engagement.

The Tigers will be shooting for their fourth consecutive victory over Indiana Deaf when they take the field at Indianapolis. The two I.S.D.'s have clashed only three times previously. Each time the Jacksonville school has come out on top.

The appearance will be the third homecoming outing for Coach Art Yates' aggregation this season. Their game at Minnesota was a homecoming affair, as was their home tilt with Wisconsin.

Coach Yates expects a tough battle this weekend, perhaps the toughest thus far for the westenders.

**Ten Veterans**  
Coach M. R. Caskey of Indiana has 10 lettermen on his team, all of whom played on the first eleven last season. The Hoosier outfit has a heavy backfield, but a fairly light forward wall.

I.S.D. and Indiana last met in 1941, when the Jacksonville team, led by Sipek and DeVito, came out on the long end of a 13-0 count. In 1930, Otter led the Tigers to a narrow 13-7 win in a tilt dedicating Indiana's new field. In 1935, I.S.D. was a 5-0 winner.

Coach Yates expects to start his regular eleven Saturday.

The third city team, Jacksonville high school, has an open date.

## Jerseville Beats Roodhouse Outfit 46-13 Last Night

Jerseville—The Panthers went to Roodhouse last night in conclusive style here Friday night, blasting out a 46-13 Illinois Valley conference win over the outclassed visitors.

The home team scored in each stanza in racking up the decision. Ralph Bailey, standout halfback for Coach E. V. Halt, Jr., went across three times.

Bailey scored the first touchdown of the game, and the only one in the initial stanza, on a 60-yard run. A pass, Davis to Waggoner added a point.

He went across again in the second period to end a 27-yard march. Then Warford intercepted a pass and ran 30 yards to pay dirt. Davis passed to Reynolds for another second and quarter Jerseville marker.

Roodhouse scored in the second stanza after recovering a fumble on the 12. Ballard went over in two plays and plunged for the point.

In the third quarter Bailey scored another off tackle play to end a Jerseville march.

Roodhouse counted first in the fourth quarter. After a blocked punt was covered on the 12, Ballard scored through tackle. A pass for an additional point was incomplete. Bell went through center, once for 50 yards and once for 7, to get the hosts' next TD. Bell added another touchdown on a one-yard plunge after Roger Bailey recovered a Railroad fumble on the 28.

Additional Jerseville extra points came on passes by Davis, one to Smith, the other two to Waggoner. Scoring by quarters:

Jerseville ..... 7 19 7 13—46  
Roodhouse ..... 0 7 0 6—13  
Officials: Patton, Edwardville, referee; Klenik, St. Louis, umpire; Anderson, Alton, head linesman.

## Four New Quintets In Nat Cage Loop; Open Card Tonight

Chicago, Oct. 29—(AP)—The National basketball league which earlier this year weathered a storm of club "jumping" will open its 12th season tomorrow night when the Detroit tigers face the Oshkosh all-stars at the Wisconsin City.

After the 1947-48 season, four key members—Rochester, Minneapolis, Indianapolis and Fort Wayne, Ind.—jumped from the national circuit to the rival Basketball Association of America.

The older loop survived the blow by lining up the Denver Nuggets, former amateur powerhouse, Hammond, Ind., Waterloo, Iowa, and Detroit as new members to round up a nine-club wheel.

Each team will play a 64-game schedule this season. The Nuggets make their midwestern professional debut at Hammond next Wednesday night.

Holdover members include Oshkosh, Anderson, Ind., tri-cities (Moline and Rock Island, Ill., and Davenport, Iowa), Sheboygan, Wis., and Syracuse, N.Y.

## Sell-Out Crowd Of Boys Beat Girls Friday In Jolly Good Hockey Game

63,000 Will See Irish, Navy Play

Annapolis, Md., Oct. 29.—(AP)—Navy's football team, battling stoutly but almost ready to sink any minute after 10 straight touchdowns, has a date with Notre Dame tomorrow.

Coach George H. Sauer insists the midshipmen will keep the engagement.

In fact, there's no gloom at all along the Blue Severn river these crisp afternoons. The Navy boys have lost 10 straight games, so even that stigma begins to wear off.

They're looking to the future—rebuilding to put it pleasantly, and what happens during the interim should be off the record.

Frankly, however, few if any other major college club in the country has a tougher schedule than the minute meat chopper Sauer inherited in his first year with Navy.

"Last week," he groaned, "six of our opponents were in the top ten on the weekly Associated Press poll."

Navy plans nine games this year, and that's what the Annapolis schedule makers cooked up. They lost their last five games in 1947, and their first five this season.

Since Notre Dame and Army broke off their annual New York imbroglio two years ago, this will be the first eastern appearance of the South Bend clan. And everybody connected is going to make it an occasion.

A sell-out crowd of 63,000 will jam Municipal Stadium to see the game, not because they have any doubts about the outcome, but just because it's Notre Dame and Navy.

## White Hall Downs Pleasant Hill 11 31-0 On Friday

White Hall—Coach S. N. Walker's Maroons slashed to a 31-0 Illinois Valley conference victory over Pleasant Hill here Friday night.

The hosts scored in every period except the third.

Barnd, White Hall scabbard, scored four of the Maroons' five markers, one on a pass. He was injured early in the second half and didn't see further action.

Milnes, another White Hall star, was hurt in the second period.

Neither injury was considered serious.

Barnd went over first on a 21-yard end run. Later in the initial period he scored on a pass from Milnes.

In the second quarter Barnd went 25 yards around end to pay dirt. Later he went over from the two after setting up the score on a 30-yard dash.

Wyatt scored for White Hall in the fourth period on a two-yard quarterback sneak.

The only extra point came on a kick by Milnes after the third TD. Pleasant Hill's biggest threat, an advance to the 15-yard line, was stopped on downs.

Pittsfield plays at White Hall next Friday night.

Scoring: White Hall .... 12 13 0 6—31  
Officials: Shields, Greenfield, referee; Peabody, Jacksonville, umpire; Savage, Jacksonville, head linesman.

## Citation Climaxes Great Year Friday With Pimlico Win

Baltimore, Oct. 29.—(AP)—Citation and Jockey Eddie Arcaro went for a \$10,000 stroll today in the Pimlico special.

The great Calumet farm three-year-old colt climaxed his sensational 1948 turf campaign by taking the 12th running of this sporting race without opposition.

Arcaro, the little New York Italian by way of Kentucky who has been aboard the Son of Bull Lea-Hydroplane 2nd in all of his big races, were breezed around the mile and three sixteenths distance.

While the crowd cheered its acclaim for the "champ," Eddie held a tight rein on Citation most of the distance, then let him out for the final quarter mile from the head of the stretch to the wire.

Under this tight restraint, the clock showed that Citation clipped the distance in 1:59 4/5. The record for the stake—1:56 3/5—is held jointly by Seabiscuit and Twilight Tear.

There was no betting, and the event was run as the sixth race after the track announcer said, "the Maryland Jockey club proudly presents the 1948 champion of the turf," and recounted his racing deeds.

The biggest noise from the crowd of 11,618 came when they brought Citation to the winner's circle and it was announced that the \$10,000 pot would be donated by owner Warren Wright to the Damon Runyon Cancer Fund.

In winning 16 of 17 races previously this year, Citation had banked the bulky sum of \$664,570—a world record for one season of racing. The colt now has earned \$830,250, and is second in the list of leading money winners. Stymlie is tops, with \$911,335. At the rate he's going, Citation won't have much trouble catching Stymlie now in retirement—next season, and continuing on to become the first \$1,000,000 winner in turf history.

**President Plans Vacation After Nov. Election**  
New York, Oct. 29.—(AP)—President Truman plans to take a vacation at the naval submarine base in Key West, Fla., after the election. Mr. Truman likely will fly from Washington about Nov. 6. How long he will remain depends on developments in Washington.

The president will spend election night and Wednesday in Missouri and start back to Washington Thursday.

Presidential Press Secretary Charles G. Ross would not discuss Mr. Truman's vacation plans. However, he did say Mr. Truman would remain at his home in Independence election night and retire about 9:30 or 10 p.m.

Arrangements have been made to supply Associated Press election returns to the Truman quarters in the Hotel Muehlebach penthouse in Kansas City. They likely will be telephoned to Mr. Truman until he retires for the night. Ross said he likely will put on a news "lid" at 10 p.m. Whatever the result of the election, Mr. Truman plans to take an extended rest at Key West from the rigors of the campaign, associates said.

Macon Ga., Oct. 29.—(AP)—Fritzie Zivic, former welterweight champ, was of on his timing in his first fight in 18 months, and the best he could do was gain a 10-round draw last night with Eddie Steele, Macon midweight.

Zivic weighed 158, Steele 158 1/2.

## REFORESTATION URGED BY STATE

Champaign, Ill., Oct. 29.—(AP)—A state program of reforestation, including public acquisition of 2,000,000 acres was recommended today by a forestry conference at the University of Illinois.

The conference adopted these points in its program:  
Reforestation of "at least" 10,000 acres of public lands annually.  
Reforestation of 15,000 acres of private lands annually.

## Argument Raging Over Best Prep Team Downstate

By CHARLES WHALEN

Springfield, Ill., Oct. 29.—(AP)—With the downstate prep football season nearing the home stretch, that annual argument over which school has the best team is popping up again.

There isn't any state tournament, as in basketball, to settle the question so all the fans can do is let off some steam.

Murphysboro backers have a mighty good talking point, even though it may sound a little like political oratory. Look at the record, they say—23 straight victories since September, 1946.

But what about Mooseheart and West Aurora, both unbeaten and united so far this year against pretty stiff competition? And such unbeaten outfits as Moline and Oak Park?

Depending on where you live, these are some of the teams outside Chicago whose names often crop up in talk about a mythical state champion.

**They're Big, Hit Hard**  
Oak Park: The boys here are big and hit hard. They play in the suburban league, regarded by many as the toughest loop of them all. Oak Park was upset, 6-0, by Highland Park in its third game, but won all five other starts handsily and has two more to go in its drive for a fourth straight flag.

Mooseheart: This private school, operated by the Loyal Order of Moose and drawing its enrollment from many states, consistently has strong entries. The current edition, fortified by speed and excellent physical condition, has spelled out six straight triumphs. Pekin's big 12 conference leaders suffered their only setback from Mooseheart, which captured two of its wins in Michigan and Washington.

Murphysboro: The Red Devils had a close call with Harrisburg's impressive bulldogs in their inaugural, gaining a 13-12 decision. But since then, Murphysboro has wallowed six opponents with a 30 point attack. Like most other schools, this top-notch southern eleven seldom ventures outside its home bailiwick.

West Aurora: Competing in the strong Big Eight league, where a champion rarely finishes undefeated, the unnamed Blackhawks have whipped Morris, DeKalb, Niles, LaSalle, Joliet, East Rockford and West Rockford. Few schools show such a strenuous card.

Friday night results are not included in the above speculation.

**Pittsfield Eleven Blasts Carrollton In Valley Contest**  
Pittsfield—Coach Glen Smith's Saukees gave a large homecoming crowd plenty to celebrate here Friday night by knocking off the Carrollton Hawks in a 32-0 Illinois Valley conference encounter.

Not only did the home team, now conceded the Ivy loop crown, shine on offense, it also turned in a stellar defensive exhibition. Not once during the engagement did the Hawks cross the Pittsfield 40-yard stripe.

Four Pittsfield players shared in the scoring. Collier, hard-hitting fullback, went over twice on off-tackle runs. Kattelman, Chaplin and Williams counted the other markers, also on running plays. Kattelman kicked one extra point and plunged for another.

Bob Dell, Saukee center, almost made it six TD's for the winners. On the last play of the game he intercepted a Carrollton pass and ran 35 yards to the one-yard stripe, where he was hauled down from behind.

The desperate Hawks attempted 19 passes and had two intercepted while completing only four. Pittsfield took to the air 11 times and completed five.

Score by quarters:  
Pittsfield ..... 13 13 0 6—32

## Say New York Paper Refused To Print Demo Ad

New York, Oct. 29.—(AP)—Sen. J. Howard McGrath, Democratic national chairman, said today the New York World Telegram had refused to print a Democratic advertisement about Thomas E. Dewey's record as governor.

McGrath said the Democrats "turned to paid advertising because almost every newspaper in America has refused to print statements and speeches by Democratic leaders in which Governor Dewey is criticized."

He said facts in the advertisement were "taken right out of the (state) budget" and added:

"Of course, the facts about Governor Dewey's administration do not square with the claims made for the governor in the editorial—and news—columns of the World-Telegram."

A spokesman for the newspaper said the World-Telegram had refused the advertisement after "careful inspection and checking of facts," the spokesman said. "The Democratic committee advertisement fell, in the opinion of the World-Telegram, into this classification."

McGrath said the advertisement showed that the cost of administering state government under Dewey was twice that under his predecessor and that \$825,000 of state funds were spent in the 1948 fiscal year to publicize Dewey and his administration.

**RELEASE ILLINOIS BOYS HELD IN QUERY OF WIS. SLAYING**  
Granite City, Ill., Oct. 29.—(AP)—Two youths held by Granite City authorities were cleared today of any connection with a double slaying at Eau Claire, Wis., after Eau Claire deputies questioned them.

The two, Raymond E. Larson, 18, and Donald Elletson, 19, were arrested last Friday for investigation after they attempted to sell new automobile hub caps to second-hand stores.

Eau Claire authorities asked that they be held for questioning in the recent slaying of a young couple on an Eau Claire golf course.

**KELLY OUT FOR YEAR**  
Los Angeles, Oct. 29.—(AP)—Defense Halfback Star Bob Kelly of the Los Angeles Don's is through playing in the All-America football conference for the season. The former Notre Dame back will undergo a knee operation tomorrow and then return to his home in Chicago.

## Eight Major Unbeaten Elevens Risk Perfect Records In Top Games

New York, Oct. 29.—(AP)—Eight of the nation's nine major all-victorious football teams risk their spotless records tomorrow on a program crowded with games that will have a definite bearing on the championship picture in all the top drawer conferences.

The members of the all-winning fraternity who appear to be facing the toughest assignments, however, are the two Dixie powerhouses—North Carolina and Georgia Tech.

Each of these tough customers invades the other's territory for not-league engagements that will mean nothing in the conference standings but can play hob with their titles as pitractions if they should lose.

**At Knoxville**  
North Carolina, currently rated the third best team in the country and a topheavy favorite in the southern conference, moves into Knoxville to battle a Tennessee team that has won three in a row after a slow start and has been pointing for the Tar Heels all season.

Georgia Tech, holding sixth place in the rankings determined by the Associated Press poll, drops out of the southeastern conference in which it is the favored leader to tangle with Duke at Durham.

Duke, unbeaten in five starts although tied by both North Carolina and Tennessee, could become the only remaining threat to North Carolina in the southern conference if it upsets Georgia Tech. On the other hand, a Tennessee upset of North Carolina would make the Vols a big southeastern conference stumbling block for Georgia Tech, whom they meet next week.

**Deadline To Break**  
In the Big Nine, a three-way deadlock for second place is almost certain to be broken, but front-running Michigan, No. 1 team in the nation, appears in no danger of losing to invading Illinois. With Michigan slamming steadily toward its second Big Nine title but ineligible for the Rose Bowl assignment, the scramble for the trip to Pasadena involves the trio now tied for the runner-up spot with victories and one defeat—Northwestern, Ohio State and Indiana.

Minnesota figures to erase Indiana at Minneapolis tomorrow, while Northwestern and Ohio State come face to face at Evanston. Wisconsin and Iowa, whose 1-2 records match Minnesota in the conference, play each other at Iowa City.

**Illini 'Dangerous'**  
Michigan head coach Bennie Oosterbaan, convinced the Illini are more dangerous than their record by a single conference triumph—over Purdue—would indicate, has a world of respect for an Illinois machine that still has a dozen men left from its Rose Bowl campaign of Jan. 1, 1947.

That was the same Illinois team that beat Michigan 13 to 9 on Oct. 26, 1946, enroute to the Big Nine title. Since then the Wolverines have swept every game they've played.

Both teams were ready physically for the Michigan homecoming test, to be played before a sellout of 85,938 fans.

Lou Levanti, sturdy Illinois center, who played only 20 minutes last week against Purdue, is recovered from an ankle injury and ready for full-time duty.

**Tomas Returns**  
Michigan's guard, Dom Tomas, also has shaken off effects of an ankle sprain he suffered against Minnesota last Saturday and halfback Gene Derricotte's knee is adjudged strong again.

The Wolverines again are expected to rely heavily on their sophomore halfback tandem of Chucking Chuck Ortmann and elusive Leo Koceski, bulwark of Michigan's offense all season.

Illinois' chief running threats are speedy Paul Patterson and the powerhouse fullback, Russ Steger.

A punting duel matching Dike Eddleman of the Illini against Michigan's Walt Teninga promises to be a big factor, inasmuch as they rank one-two at the head of Big nine kickers.

**Front-Runners Tangle**  
Considerably less involved is the situation in the southwest conference, where Southern Methodist and Texas hook up at Austin in what likely will be the title game. Like their Three-I league club at Texas Christian, both Texas and

SMU are all-victorious in the conference but Baylor still has to face both of them.

Fourth-ranking California will be shooting for its seventh straight triumph and third in the Pacific Coast league at Southern California, while Oregon, the Bears' biggest conference threat, steps outside to entertain St. Mary's.

The other all-victorious teams—Notre Dame, Army, Pennsylvania and Nevada—are expected to breeze through their opposition tomorrow. Notre Dame plays Navy at Baltimore, while Army and Penn will be at home against Virginia Tech and Washington and Lee, respectively. Nevada entertains Oklahoma City University.

## Students Delay Action On Vote About Grid Coach

Madison, Wis., Oct. 29.—(AP)—University of Wisconsin students won't vote Nov. 11 on a referendum question: "Shall Harry Stuhldrehr remain as football coach?"

The deadline for submission of a petition to force the student board to conduct the referendum at the regular campus election passed at noon today. Neither of two petitions circulating among the students was in the board's hands.

Petition circulators said they had not pushed the action since last Saturday's football game with Ohio State, which Wisconsin lost, 34-32. But, they said, they had not abandoned their effort to obtain a special referendum at the end of the season. The petitions will be circulated "leisurely in the next few weeks," they explained.

Stuhldrehr, athletic director as well as head football coach, has been under fire most of the season. The tumult reached a climax as Wisconsin was losing to Yale, 17-7, two weeks ago, when a large banner emblazoned "Good Bye Harry" was lifted in the student section of Camp Randall Stadium. Wisconsin has won only one of five starts this year.

## A.A. Stagg Working Football Magic At Susquehanna U.

Selingsgrove, Pa., Oct. 29.—(AP)—A white-haired man of 86, whose life revolves around an inflated pigskin, is working football magic at Susquehanna University.

The Magician is Amos Alonzo Stagg, Sr., the grand old man of the gridiron.

In spite of the fact that the Crusaders have won only a single game so far this year, Stagg is the campus idol.

And one enthusiastic fan sums it up this way: "The boys look so dog-gone good while they're losing, it's almost as much fun as seeing them win."

The remark is a tribute to the wizardry of the Stagg family board includes, Stagg, his son, Amos Alonzo, Jr., co-coach at Susquehanna, and Mrs. Stagg, Sr., who is chief critic.

After winning its first game this year, Susquehanna has since dropped the last three in a row. But Stagg, Sr., is not even mildly perturbed.

"We have a good fighting bunch of boys," he declared, adding that "our team is very light and we have been ridden by injuries."

Although now in his 50th year of active coaching, Stagg is anything but an armchair coach. He is one of the first men on the practice field each day. He runs, passes, kicks and does everything but tackle.

"He'd do that if we would let him," his son declared.

**SIGNED BY CHISOX**  
Chicago, Oct. 29.—(AP)—Bill (Lefty) Stretton, Northwestern University pitcher for three seasons, has been signed by the Chicago White Sox for their Three-I league club at Waterloo, Ia.

THE sun was bright, the sky was blue, the time was May; New Orleans was heaven, and heaven must have been only another New Orleans, it couldn't have been any better.

In his bachelor quarters on St. Charles Street, Louis Durand was getting dressed. Not for the first time that day, for the sun was already high and he'd been up and about for hours; but for the great event of that day. This wasn't just a day, this was the day of all days. A day that comes just once to a man, and now had come to him. It had come late, but it had come. It was now. It was today.

He wasn't young any more. Others didn't tell him this, he told himself. He wasn't old, as men go. But for such a thing as this, he wasn't too young any more. Thirty-seven.

On the wall there was a calendar, the first four leaves peeled back to bare the fifth. At top center, this was inscribed May. Then on each side of this, in slanted, shadow-casting, heavily curlicued numerals, the year-date was gratuitously given the beholder: 1880 Below, within their little boxed squares, the first 19 numerals had been stroked off with lead pencil. About the twentieth, this time in red crayon, a heavy circle, a bull's-eye, had been traced.

On the bureau, before which he stood using his hairbrush, lay a packet of letters and a daguerreotype.

He put down his brush, and, pausing for a moment in his preparations, took them up one by one and hurriedly glanced through each. The first bore the letterhead: "The Friendly Correspondence Society of St. Louis, Mo.—an Association for Ladies and Gentlemen of High Character," and began in a fine masculine hand:

Dear Sir:

In reply to your inquiry we are pleased to forward to you the name and address of one of our members, and if you will address yourself to her in person, we feel sure a mutually satisfactory correspondence may be engaged upon—

The next was in an even finer hand, this time feminine: "My dear Mr. Durand," and signed: "Yrs most sincerely, Miss J. Russell."

The next: "Dear Mr. Durand: Sincerely, Miss Julia Russell."

The next: "Dear Louis Durand: Your sincere friend, Julia Russell."

And then: "Dear Louis: ... Your sincere friend, Julia."

And then: "Dear Louis: ... Your sincere friend, Julia."

And then: "Louis, dear: ... Your Julia."

And finally: "Louis, my beloved: ... Your own impatient Julia."

There was a postscript to this one: "Will the eighteenth never come? I count the hours for the boat to sail!"

HE put them in order again, patted them tenderly, fondly, into symmetry. He put them into his inside coat pocket, the one that went over his heart.

He took up, now, the small stiff-backed daguerreotype and looked at it long and rapidly. The subject was not young. She was not an old woman, certainly, but she was equally certainly no longer a girl. She was not beautiful, for she was attractive to him, and attractiveness lies in the eyes of the beholder.

Her dark hair was gathered at the back of the head in a psycheknot, and a smattering of it, coaxed the other way, fell over her forehead in a fringe, as the fashion had been for some considerable time now.

So this was the bargain he had made with love, taking what he could get, in sudden desperate haste, for fear of getting nothing at all.

If he'd met someone in a restaurant just then—

Or even if he'd met someone passing on the street—

But he didn't.

His eye fell, instead, on an advertisement in a newspaper. A St. Louis advertisement in a New Orleans newspaper.

His contemplation ended. The sound of carriage wheels stopping somewhere just outside caused him to insert the likeness into his money-fold, and pocket that. He went out to the second-story veranda and looked down.

A colored man was coming into the inner courtyard.

"What took you so long? Did you get me a coach?" Durand called down to him.

"It's here waiting for you now."

"Good. You finish up the packing. Tom, see that my things get over to the new house. And don't forget to give the keys back to Madame Teller before you leave."

THE coach drove briskly down St. Louis Street. Durand sat straining forward on the edge of the seat, both hands topping his cane-head and the upper part of his body supported by it. Suddenly he leaned still further forward.

"That one," he exclaimed, pointing excitedly. "That one right there."

"The new one, cunne?" the coachman marveled admiringly.

"I'm building it myself," Durand let him know with an atavistic burst of boyish pride. Then, as the carriage pulled up in front, "You'll have to wait for me. I'm going down to meet the boat from here, later on."

"Yessuh, take your time, cunne!" the coachman grinned. "A man got to look at his house."

There was a place indicated by pencil marks on the white-painted pinewood of the front door where a wrought-iron knocker was to be affixed, but this was not yet in position.

Scorning to raise hand to the portal himself, possibly under the conviction that it was not fitting for a man to have to knock at the door of his own house, he tried the knob, found it unlocked, and entered. There was on the inside
